SKILLS

Frontend Technologies:

HTML CSS JavaScript

Backend Technologies:

Java

Other Technologies (Basics):

C C++ AWS Cloud Git-GitHub

Database:

MySQL

Tools & IDEs:

Eclipse VS Code

SOFT SKILLS

Team Player

Quick Learner

Time Management

Self-Motivated

Ability to convey ideas clearly

EDUCATION

Bachelor of Engineering - 2025 (Computer Engineering)

Dr. D. Y. Patil College of Engineering and Innovation, Pune - SPPU 7.70 CGPA

Diploma in Computer Technology – 2022

S.H.H.J.B. Polytechnic, Chandwad - 84.80 %

SSC (10th Standard) – 2019

K.D.B. Education Society, Deola, Nashik - 85.80 %

ABOUT ME

Aspiring Java Full Stack Developer with a solid foundation in Java, HTML, CSS, JavaScript, SQL, and experience using AWS Cloud services and Git/GitHub for version control. Proficient in developing responsive front-end interfaces and understanding back-end integration. Strong problem-solving ability, fast learner, and a team player. Actively seeking opportunities to contribute to impactful real-world projects in a collaborative, agile environment.

INTERNSHIPS

- **Acme Grade** – IT / Software Intern
Created a cloud-based railway ticket booking chatbot and learned core cloud computing architecture.
- **Elite Software** – Web Design Intern
Built an online vegetable-selling website using Django and gained experience in domain and hosting setup.

PROJECTS

- **Project 1 -**
Title: Canteen Automation System
Tech Stack: HTML, CSS, PHP, MySQL
Description: A web-based application designed to manage real-time customer orders and payments in a canteen. Customers can place orders from their tables.
- **Project 2 -**
Title: Online Car Parking System
Tech Stack: HTML, CSS, PHP, MySQL
Description: A web application with admin and user panels allowing users to reserve parking slots remotely based on date and time.
- **Project 3 -**
Title: Grape Vault
Tech Stack: HTML, CSS, JS, MySQL, AWS cloud
Description: Multi-tier web app for single-vendor wine Selling, using AWS Cloud for hosting and storage.

ACHIEVEMENTS

- Published 3 research papers based on academic project work
- Led diploma final-year project team successfully.
- Delivered LaTeX workshop presentation during engineering.
- Built and hosted GitHub portfolio with live projects.
